

Memory Competition

1. Check off the verses you know. Multiple verses (i.e. 1:3-4) count as one verse. One entry for every check.
2. At the quiz meet find an adult, not from your church or team.
3. You will be asked to quote four (4) of the verses. If you can quote three (3) of them completely and correctly, then all of your verses will count towards your total entries (including the one you missed.)
4. If you miss two or more of the four, then ALL your entries will be declined. So make sure you know the verses! And that you are ready to quote them when you are asked. Missing one verse is your second chance.
5. Extra verses: You may include verses not on the current month list if you know all of the current month's verses. Check these verses as well. You will be asked to additionally quote one verse from that group; which you must also quote exactly correct (no second chances on the extra).
