# MEMORY CENTER VERIFICATION

Please check to see the Memory Sheet has been completed, including memory indicated as learned, Quizzer\* name and group. Verify the memory as outlined below.

## Verses

Randomly choose four verses from those indicated as learned. (If less than four are indicated as learned, choose all.) Quizzer must quote 3 out of the 4 correctly. Only verses quoted word-perfect are counted as correct.

Say, "Quote Matthew Chapter...Verse/s...". Give no other prompts.

## Chapters

Randomly choose a starting point within the chapters indicated as learned. (Only one passage is required – not one from each chapter.)

Say, "Begin quoting from Matthew Chapter...Verse...". Give no other prompts.

Quizzer must quote at least 15 consecutive verses correctly. Chapters will be counted as correct only if:

- all required memory verses found within the passage are quoted word-perfect
- content verses are quoted with no more than 3 minor errors (ex: a/an; +/- s).

Sign the Memory Sheet and submit to Computer Room by the end of lunch.

Thank you for your time and your encouragement in knowing God better through memorizing His Word.

\*"Quizzer" refers to anyone submitting Memory Sheet for verification.
